Marvin -

On May 18, 2016 we received a bond release request from you for "The Carter Tunnel Mine". At this time the priority is rated as low, as there was no bond submitted. It is anticipated that a site visit with a follow up inspection report will be completed within the next 2 weeks.

Give me a call if you have any questions. [801-538-5257](tel:801-538-5257)

thx-lah
